FAQ's

Q: When is your wedding Season?:

The best Time for your wedding Celebrations is between the months of March, and August. During this time of the year, the ranch is warm, blossoming (during April), and has minimal public traffic. We do not host Weddings between the third week in August and the third week in November. This time of the Year is our Apple Season, and the ranch is bustling with the incoming apple harvest, and folks enjoying everything everything that the Glen has to offer.

Q: Alcohol Policy?

We allow champagne for a toast without a bartender. If you are planning on serving any more alcohol than just a toast you will need to get your own insurance and have a designated bartender to serve the drinks.

Q: Do You Rent your facilities?

We are working apple farm and as such do not rent out our facility. Instead we offer a set of packages that allow for a beautiful wedding and us to continue with our farming activities.

Q: Are You Open to the public during wedding events?

Since our wedding packages are not a venue rental we still are open to the public and will have the farm open during its usual hours.

Q: What are my food choices for a Reception?

You may choose from our event menu for the reception. We do not allow outside catering for meals. We have a varied menu to suit most palates. The only catering that we do allow is for the wedding cake.

Q: Do you allow a DJ?

We have a no D.J. Policy for our weddings. If you would like to have music you may bring an iPod with a wedding Playlist. The music is still subject to approval by management. We also always have the Riley's Mountaineer Band Live for an additional cost.

Q: How many Guests can I bring?

Our outdoor weddings can accommodate up to 250 guests. If your wedding is in the barn or your reception is in the barn it is limited to 175 guests partially divided between the main store barn and the Patio in front. For an all indoor reception we can seat 135 maximum. Our packages only cover the first 150 guests and all guests over the count have an extra cost to accommodate the extra people.

Q: What is the weather like during each season?

All times of year we generally are 10-15° degrees colder than the temperatures in the San Bernardino valley. We are at an elevation of 5000 feet MSL on the slopes of the Yucaipa Ridge, part of the San Bernardino Mountain Range, and experience the weather that mountain climates experience. Some days it will be completely clear in the valleys and we will have looming thunder clouds overhead and other days we will have bright clear skies while the valleys are veiled in cloud and drizzle.

Spring: has a variety of weather conditions. Most of our spring is sunny and mild, but we do experience rain, snow, hail, and any other form of precipitation during this time. While there is the possibility of precipitation we do have back up plans to help cope with the changing weather though it may cost more.

Summer: is the Bright, warm, and consistently Sunny season here in the Glen. The days are long and the sun is warm and the breeze is cool. Remember if it 95°F then up here it is probably about 80°F with a light breeze. This makes summer weddings an Ideal time for outdoor weddings.

Fall: the weather is still warm and the air starts to take on the scent of fall. This season is mostly closed off for weddings due to the huge influx of people purchasing our apples. We stop hosting weddings the third week in August and do not offer weddings until the third week in November.

Winter: This season has cold wet weather, but there is the occasional patch of warm sunny days.

Q: Can we Put a Sign in front of the ranch?

Yes you may make your own sign to be placed up by our ranch's entrance. We have signs to direct your guests once they arrive on the property.
